

On May 7<sup>th</sup>, 2016 Canalway Partners will host the 27<sup>th</sup> Annual RiverSweep. Each year hundreds of volunteers from across the community team up to beautify the Cuyahoga River Valley in Ohio's largest done-in-a-day cleanup event. We ask for your support.

Over the course of 26 years we have recruited **18,158** volunteers who have helped us extract and recycle **23,569** illegally discarded tires and picked up for disposal **543** tons of rubbish.

In 2015, we added a new graffiti clean-up component to RiverSweep to help beautify the area.

For 2016, RiverSweep will target nine areas for cleanup/ spruce-up. They include:

- The Flats
- Mill Creek Falls
- Tremont
- Big Creek
- Morgana Run
- Train Avenue/ Walworth Run
- Treadway Ravine
- West Creek
- Johnston Mill Run

The impact of RiverSweep on the community is undeniable. New parks and trails have emerged in areas formerly targeted for illegal dumping.

Former RiverSweep sites now hosting new parks and trails, including:

- Scranton Flats
- Cleveland Foundation Centennial Trail
- Cleveland Metroparks Ohio & Erie Canal Reservation
- Hart Crane Park
- Mill Creek Falls
- Cleveland Metroparks Washington Reservation
- The Morgana Run Trail

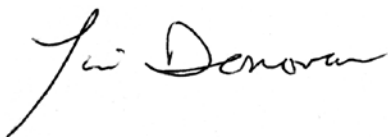

- The Treadway Greenway with trail in Old Brooklyn
- Cleveland Metroparks West Creek Reservation

Canalway Partners invites you to join our 2016 RiverSweep Team. Your organization can contribute as a sponsor and/or as a source of volunteers.
